Consider Creating an Online Donation Page - It's now possible to create an online donation page so that your sponsors can donate using their credit or debit cards. It couldn't be easier and takes minutes to setup. You also don't have to collect the money (makes life easier) and they pay your sponsorship money direct into our account. For more information about setting up an online fundraising page, please visit our page describing easy steps to setting up your own Bmycharity page at www.bmycharity.com/krh

Remember, it doesn't matter how much you raise, **every penny counts** and it will all be very much appreciated!
